Accessibility To All

Recite Me is a web based tool that allows patients and staff to customise the Trust website in a way that individuals need it to work for them personally.

Recite Me is an easy to use facility, the software includes font enlargement, text to speech functionality, dyslexia software, an interactive dictionary, a translation tool with over 100 languages and many other features.

Western Sussex Hospitals has implemented the Recite Me Toolbar on their Trust website and StaffNet. To enable and activate the toolbar, Click on the 'Accessibility Help' button.
